Bulky red or pink yarn for the ribbing and tie

US 13 Double point needles

Size J or K Crochet hook

CO Cast-on
K Knit
P Purl
YO Yarn Over
K2tog Knit 2 together
MC main color
Rnd Round

Directions

Using your size 13 double pointed needles CO 31 stitches with your coordinating color yarn
Being careful to not twist the stitches, you will begin knitting in the round. On round one ONLY,

for the 1st knit stitch of your pattern, you move the last CO stitch (stitch 31) to your left needle and K those two stitches together. If you don't want to do this, CO 30 stitches. However, I like to CO that extra stitch so that I don't have that gap when I first join in the round....strictly optional to do.

Rnds 2-4 you will do the K1 P1 rib stitch.

Rnd 5: switch to your MC and K to end

Rnd 6: K to end

Rnd 7: *K1 P1* repeat to end

Repeat rounds 5-7 five more times

After your 5th repeat for rounds 5-7 you will do the following

Rnd 1: K one row.

Rnd 2: *YO K2tog* repeat to the end.

Rnd 3: *K1 P1* repeat to end

Rnd 4: K

Rnd 5: BO

Using your red or pink yarn, single crochet a 12-13 inch chain to weave through the holes at the top of the hat. Once you weave it through, tie in a bow. Weave in ends.

Hobby Lobby I Love This Chunky, Michaels Loops and Threads Charisma or Premier Bloom Chunky yarn are good yarns to make this hat.
